

India Faith Home

The parents; bro Andrew and sis Shuba

The **Christadelphian Faith Home** is found in Kadium, India where Bro. Andrew & Sis. Shuba have taken in 12 orphaned children. There are three girls and nine boys in the home. In addition, Andrew and Shuba have their own baby. They also care for Andrew's mother who is a widow as is Andrew's sister who has a young son. They both help Andrew and Shuba provide care for the children. Agape in Action supports this home through a combination of child and project sponsorship. The children in the home enjoy a full nutrition program, go to school and have access to necessary medical and dental care as well as clothing and other basic needs. Sponsors received regular updates, photos and letters from the home.

The Children of Faith Home

In addition, Andrew & Shuba run the only Christian (Christadelphian) school in the community on some land that was owned by Andrew's late father. Ninety-six children attend daily classes and they employ 6 teachers to assist in this work. The whole family attends the Sunday School and ecclesia in Kadium.
